(BY MAIL) I am "readily familiar" with the firm's practice of collection and processing correspondence for mailing. Under that practice it would be deposited with the U.S. Postal Service on that same day with postage thereon fully prepaid in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

1 **(BY ELECTRONIC FILING)** I am familiar with the United States District Court,
2 Northern District of California's practice for collecting and processing electronic
3 filings. Under that practice, documents are electronically filed with the court. The
4 court's CM/ECF system will generate a Notice of Electronic Filing (NEF) to the filing
5 party, the assigned judge, and any registered users in the case. The NEF will
6 constitute service of the document. Registration as a CM/ECF user constitutes consent
7 to electronic service through the court's transmission facilities. Under said practice,
8 the CM/ECF users listed above were served.

11 I declare under penalty of perjury under the laws of the State of California that the
12 foregoing is true and correct.
